

# NEUMÜNSTER

## Freesenburg Business Park 2

The first company located to the Freesenburg Business Park in 1998.

Since then this site, with direct connection to the A7 motorway, has become an important location for companies from the processing industry. Benefits include high client footfall, thanks to the adjoining shopping centre, the "Freesen Center".

### Larger available commercial areas | Neumünster | Freesenburg Business Park

Available at short notice	Medium-term availability	Location	Divisibility	Planning permission	Price	Usage foreseen by city
9 ha		western Neumünster, directly on the B430, approximately 1.5 km from the BAB Neumünster-Mitte slip road	from 500 m <sup>2</sup>	GE (commercial area)	€19.68/m <sup>2</sup> for grant-eligible investment projects €30.68/m <sup>2</sup> for non grant-eligible investment projects	processing industry, services/offices, SME/skilled manual labour, high-tech/R&D, environmental technology
